

Alexander Alliance Europe

ALEXANDER-TECHNIQUE BACKSTAGE TICKET

Look behind the scenes and learn on all levels!

We invite you to a Special Occasion:

Be a guest at the AAE training at the Einbeck Sonnenberg for two days!

On these two days you can be a fly on the wall during a training event
as well as be a protagonist during supervised individual lessons.

Through your participation you will gain insight into the learning processes of our trainees,
while at the same time receiving impulses for your own topics.

Immerse yourself in the Alexander Alliance community,
which is supported and accompanied this year by a powerful team of teachers.

If you would like to learn more about the Alexander-Technique and our school,
please visit our website www.alexanderalliance.org.
